

LEARNING LANGUAGE AND LOVING IT

THE HANEN PROGRAMME FOR EARLY CHILDHOOD EDUCATORS

**The Bristol & Beyond Stronger Practice Hub is recruiting 2 practitioners from 20 settings
Deadline: end of June**

“A practical, research-based approach to promoting children’s social, language and emergent literacy development during everyday interactions... with the most current research in the field...geared to children at the earliest of stages of non-verbal communication development to those who can speak in complex sentences”

LLLI provides research and evidence-based practical strategies to enhance language by:

Promoting every child’s language development using natural everyday activities, routines and play;

Becoming attuned to children’s interests so you can follow their lead, which is known to foster language development;

Adjusting the way you talk to help children develop more advanced language skills;

Promoting interaction among the children themselves;

Facilitating language-learning in pretend play;

Fostering emergent literacy skills.

The SPH is recruiting now.

The course will run from October 2023 – July 2024 and will include:

9 x group workshops (majority online and a few face to face)

8 x 1:1 personalised coaching from speech and language therapists or early years experts

Reflective video sessions and user friendly resources to support your learning.
